REFERENCE:

- The formulas for efficiency measures were revised in 2009 to reflect changes in the reporting of expenses consistent with accrual accounting concepts. New total cost measures were introduced and revised in 2010. Total costs mean operating costs as defined in MPMP, plus amortization and interest on long-term debt, less revenue received from other municipalities for tangible capital assets.
- ¹ As of 2009, the efficiency measures for police services do not include expenses for prisoner transportation or court security since expenses for these services are being uploaded to the Province over a number of years. The efficiency measures for police services align with effectiveness measures based on crime rates.
- ² Statistics Canada has expanded the definition of violent crime. Therefore, prior years are not comparable unless restated.
- ³ Statistics Canada has expanded the definition of property crime. Therefore, prior years are not comparable unless restated.
