TOWNSHIP OF NIPIGON

Rescinding of Municipal Precautionary Boil Water Advisory (Zone A and Zone B)

Dear Property Owner/Residents in Zone A and Zone B:

This is to advise that the precautionary Boil Water Advisory issued on December 23, 2025 to those users in Zone A and Zone B (see maps attached) affected by the water main break has been rescinded by the Township of Nipigon.

The main was repaired on January 7, 2026 with subsequent flushing, sampling and testing. The water is now considered potable and safe to consume.

If you have any questions or concerns, please feel free to contact the undersigned.

Yours truly,

Taylor Haskell
Public Works Superintendent
Township of Nipigon
